

FAQs

When are the dates of the competition?

The competition will run from 1st May to 31st May 2021.

Is there a cost to my school?

The competition is \$149 for schools to participate in. You can join as many students and classes as you like.

How many teachers / students need to participate from each school?

There is no minimum number of students needed to participate, but you are encouraged to enrol as many teachers and students as possible to help your school top the leaderboard.

What do I need to do to participate?

Register your interest on the competition website. A Mangahigh member will get in touch with you very soon after that. You will gain access to Mangahigh after completing the payment.

What types of activities are available on Mangahigh?

Mangahigh offers 1000+ activities for mathematics for children aged 5 -16.

What locations are eligible to participate?

This event is open to schools who are in Australia and New Zealand. Those with a Mangahigh for Home account (home schools, families and others) will not be allowed to participate.

How will you protect students' personal data?

Please have a read of our [privacy policy](#) for further information.
