3. Only bona fide schools in England are eligible to compete in the Competition. Home schools or non-school organisations are not eligible.

5. Any foul play, cheating, or attempted manipulation of the results will result in a permanent exclusion of the offending school from the Competition. Mangahigh's judgement on this point will be final.
6. In the event of an exact tie, Mangahigh's judges will take into account the number of skills mastered per participating student, to determine a single winner. The judges' decision will be final.
7. The winning school will be announced by October 18th 2020. The winners will be notified by email.
8. By entering the Competition the winner agrees to participate in such reasonable promotional activity and material as Mangahigh may require.

11. Mangahigh will offer full and unrestricted access to all participating schools for the duration of the competition.
12. The competition will only run if there are a MINIMUM of 15 schools taking part.
13. There will be two leaderboards during the Competition. One leaderboard will be visible for schools with more than 200 students and all schools can compete to win a prize. To increase opportunities for smaller schools, the other leaderboard is only visible for schools with less than 200 participating students.
14. Schools can only win one prize. This means that if a school is in the top 3 on both leaderboards, they will only win the prize for their highest place on one of the leaderboards.
15. Teachers will receive certificates via email for all students that achieve 150+ medal points during the Competition Period.
16. All teachers that set five or more assignments during the Competition Period, and have 1+ student attempt each assignment will be eligible for a chance to win one of 20 £50 Amazon vouchers. 18. The top 10 schools on the leaderboards at the end of 14th November 2020 will be announced before November 18th. Prizes will be forwarded to winning students and teachers within 2 weeks of the completion of the Competition (actual delivery times will vary depending on location). Mangahigh reserves the right to request that schools meet the courier cost of trophies where they are being dispatched to locations where non-courier service is unreliable. In those cases prizes might not be sent until the school has agreed to meet the costs.

19. Voucher prizes will be awarded to the school and it is the school Principal's choice as to how they wish to spend the money.
